Midnight Feast

John Cale

She caught me by surprise
Bursting into tears
Boo hooI found you on the freeway
Shredding the alphabet
Listening to the fog banks
Joni Mitchell and her parking lotI lost you on the way down
Close to Chamonix
The ferry took me to dry land
Took me to Italy
Boo hoo
We were passing by a midnight feast
But we carried on
Since you'd seen Beauty and the Beast
You said "enough"
We were passing by a midnight feast
You said "enough"
Since you'd seen Beauty and the Beast
You said "enough"
