

# Spring Love (feat. PitBull)

## Stevie B

I remember when we first started  
You came to me and you were broken hearted  
I took you in and wiped all your tears away  
I gave you loving more than any other gave  
Don't you know I'm the one and I love you girl  
I don't care what they say, you know you are my world  
Come back home to the one who loves you more and more  
Soon you'll see that it was me you were searching for  
(chorus)  
Spring love come back to me  
I need you and I want you baby  
Spring love come back to me  
I need you and I want you baby  
I can remember the first time we ever met  
The sun was shining, love was gleaming in the air  
You caught my eye and the next thing that I knew  
I was in love, I was so in love with you  
We were so close for a season of my life  
I wanted so much to have you for my wife  
But something changed the season came to an end  
I had to leave you and that's where my heartache began
