I'd Love You To Want Me

Lobo

When I saw you standing there
I about fell off my chair
When you moved your mouth to speak
I felt the blood go to my feetNow it took time for me to know
What you tried so not to show
Something in my soul just cried
I see the want in your blue eyesChorus :
Baby, I'd love you to want me
The way that I want you
The way that it should be
Baby, you'd love me to want you
The way that I want to
If you'd only let it beYou told yourself years ago
You'd never let your feelings show
The obligation that you made
