Down to the issue were not
Happy with how it is todaySure, there are happy days and
Good things to dwell upon but
When you are mad you walk awayYou call me baby and I
Just shrug my shoulders because theres
Something important on my mindI dont wanna pick a fight but
We dont see eye to eye and
We really need to get things straightTalkin' talk is not just talk
Being there is half the walk
If you wanna know yourself
You gotta do the talkin talkTalkin' talk is not just talk
Being there is half the walk
If you wanna stay with me
You gotta do the talkin talkSo what, if we disagree
Dont wanna change you
I dont want you on your kneesAre you afraid your loving
Will fade away
Whenever deep talk is released?Communication, baby
Thats what I claim today
It dont have to be badI wanna know your mind
And you to be into mine
So we can get aheadTalkin' talk is not just talk
Being there is half the walk
If you wanna know yourself
You gotta do the talkin talkTalkin' talk is not just talk
Being there is half the walk
If you wanna stay with me
You gotta do the talkin talkCan we talk?
Can we talk?

Can we talk?
Can we talk?Talkin' talk is not just talk
Being there is half the walk
If you wanna know yourself
You gotta do the talkin talkTalkin' talk is not just talk
Being there is half the walk
If you wanna stay with me
