Fly To The Rainbow

At Vance

Heading towards your wildest dreams
But you don't reach the end
You'll be on a never ending journey in this land
Time will tell if it's worth to carry on
Until the day og truth you'll be the lonely oneIt's a race you can't win
A fight whit no end
But where are you nowOpen your eyes
Take away these lies
Cause you have been alone too long
Caught in your dreamsFly to the rainbow
Unbreak the darkness around you
Out of the blackbow
Into the light that surrounds youOut of the dark into the lightYou keep on searching for the answeres
You may never find
Until you learn to face the truth
You try to leave behind
You won't see until the day you'll learn
To turn around and try to cross
The bridges that you've burnedIt's a race you can't win
A fight without end
But where are you nowOpen your eyes
Take away these lies
Cause you have been alone too long
Caught in your dreamsFly to the rainbow
Unbreak the darkness around you
Out of the blackbow
Into the light that surrounds youIt's a race you can't win
