Sweet Rose

[Matt Costa](#)

My sweet rose
[Unverified] the two of us grow
I want you to know that nothing's quite as bad
As it seems when you're so sad
So remember my rose, remember my roseMy sweet rose, I'd like to say
I'd like to say no one always gets their way
And no one always thinks the same
My rose, remember my roseWhen the seasons change
And the sky turns gray
When the leaves turn brown
I'll be aroundMy sweet rose as the two of us change
I want you to know that nothing stays the same
But you and I, we will remain
My rose, remember my roseWhen the seasons change
And the sky turns gray
When the leaves turn brown
I'll be aroundI want you to know that nothing stays the same
But you and I, we will remain
My rose, remember my rose
