Barbaric

Petite Meller

If you got it babe just show it
While you're young and free
I feel it coming over
Way up hard on me
I've noticed something's wrong
When you're not here with me
I feel it like a comet
Crashing down in to the seaWhoo, Whooo(x2)
Who's laughing now (x2)
Whoo, Whooo (x2)
Who's laughing now (x2)We are Barbaric, don't you get it
Don't give up on me
We are Barbaric, I'm not manic,
I'm just hungry for your skin (x2)Whoo, Whooo (x2)Before you shut the door
I hope you think of me
How you hold me with your borders
Civilizing me
We walk down different roads
Nobody ever meet
You're running like a savage,
Hunting down the one you free(Whoo, Whooo)x2
(Who's laughing now)x2
(Whoo, Whooo)x2
(Who's laughing now)x2We are Barbaric, don't you get it
Don't give up on me
We are Barbaric, I'm not manic,
I'm just hungry for your skin (x2)(Instrumental Bridge)We are Barbaric, don't you get it
Don't give up on me
We are Barbaric, I'm not manic,
I'm just hungry for your skin (x2)
