When She Loved Me

Bridgit Mendler

When somebody loved me,
Everything was beautiful
Every hour spent together
Lives within my heartAnd when she was sad,
I was there to dry her tears
And when she was happy,
So was IWhen she loved meThrough the summer
And the fall,
We had each other,
That was all
Just she and I together,
Like it was meant to beAnd when she was lonely,
I was there to comfort her
And I knew that she loved meSo the years went by,
I stayed the same
She began to drift away,
I was left aloneStill, I waited for the day
When she'd say,
"I will always love you."Lonely and forgotten,
Never thought she'd look my way
She smiled at me and held me
Just like she used to doWhen somebody loved me,
Everything was beautiful
Every hour spent together
Lives within my heartWhen she loved me
Like she loved meWhen she loved me
When she loved meLa da da,
La, la, la
La, oh
