When She Loved Me

Bridgit Mendler

When somebody loved me, Everything was beautiful Every hour spent together Lives within my heartAnd when she was sad, I was there to dry her tears And when she was happy, So was IWhen she loved meThrough the summer And the fall, We had each other, That was all Just she and I together, Like it was meant to be And when she was lonely, I was there to comfort her And I knew that she loved meSo the years went by, I stayed the same She began to drift away, I was left aloneStill, I waited for the day When she'd say, "I will always love you."Lonely and forgotten, Never thought she'd look my way She smiled at me and held me Just like she used to doWhen somebody loved me, Everything was beautiful Every hour spent together Lives within my heartWhen she loved me
