

The Geese of Beverly Road

The National

We'll take ourselves out in the street
And wear the blood in our cheeks
Like red roses
We'll go from car to sleeping car
And whisper in their sleeping ears
We were here, we were here
We'll set off the geese of Beverly Road Hey, love, we'll get away with it
We'll run like we're awesome, totally genius
Hey, love, we'll get away with it
We'll run like we're awesome We won't be disappointed
We'll fight like girls for our place at the table
Our room on the floor
We'll set off the geese of Beverly Road Hey, love, we'll get away with it
We'll run like we're awesome, totally genius
Hey, love, we'll get away with it
We'll run like we're awesome We're the heirs to the glimmering world
We're the heirs to the glimmering world We're drunk and sparking, our legs are open
Our hands are covered in cake
But I swear we didn't have any
I swear we didn't have any Hey, love, we'll get away with it
We'll run like we're awesome, totally genius
Hey, love, we'll get away with it
We'll run like we're awesome We're the heirs to the glimmering world
We're the heirs to the glimmering world Oh, come, come be my waitress and serve me tonight
Serve me the sky tonight
Oh, come, come be my waitress and serve me tonight
serve me the sky with a big slice of lemon We're the heirs to the glimmering world
We're the heirs to the glimmering world Oh, come, come be my waitress and serve me tonight
Serve me the sky tonight
Oh, come, come be my waitress and serve me tonight
serve me the sky with a big slice of lemon
