Tennessee Train Tracks

Rocky Votolato

Come dry me out
'Cause I've been drinking all night
Before I pass out I need your ghost to tell me this bloodless voice
Is as meaningless as it soundsHard fought for some spare time
To sit around and search for something I ain't never gonna find
Colors fade in the night sky
Lightning bugs are flashing on theFront porch no it's in my head
To take me back to another time
'Cause once its gone it's just something you ain't never gonna find
No matter how hard you tryThere's no reason to stop it and you
Couldn't if you wanted now
Come dry me out
Just not with yourFist I'm not looking for a fight
Hard fought for some spare time
To search through books and records for something you ain't never
Gonna findIf you could just make up your mind
Train tracks
Can't decide
Tennessee morning leaves you paralyzed
