

# Turpentine

[Kim Taylor](#)

Ain't no bird like a turpentine bird  
No one sees what that virgin would earn  
Wake the kids cus when Daddy is done  
Ain't no love for the turpentine

Ain't no law here in turpentine land  
Ain't no rest for the turpentine man  
Wake the kids cus we're leaving today  
Sunrise on the turpentine

[instrumental]

God has made me a turpentine bed  
God has seen what that turpentine did  
Don't bury me in no pine pitch grave  
Ain't no love for the turpentine -->[4x]
