

Streetlife Serenader

Billy Joel

Streetlife serenader
Never sang on stages
Needs no orchestration
Melody comes easyMidnight masquerader
Shoppin' center heroes
Child of Eisenhower
New world celebratorStreetlife serenaders
Have such understanding
How the words are spoken
How to make the motionsStreetlife serenaders
Have no obligations
Hold no grand illusions
Need no stimulationMidnight masqueraders
Workin' hard for wages
Need no vast arrangements
To do their harmonizing
