

Combat Baby

Metric

We used to leave the blue lights on and there was a beat
Ever since you have been gone it's all caffeine-free
Faux punk fatigues, said it all before
They try to kick it, their feet fall asleep
Get no harm done, no, none of them want to fight me
Combat baby, come back baby
Fight off the lethargy, don't go quietly
Combat baby said you would never give up easy
Combat baby, come back
Get back in town, I wanna paint it black
I wanna get around, easy living crowd so flat
Said it all before they try to kick it, their feet fall asleep
I want to be wrong but no one here wants to fight me like you do
Combat baby, come back baby
Fight off the lethargy, don't go quietly
Combat baby said you would never give up easy
Combat baby, come back
I try to be so nice, compromise
Who gets it good?
Every mighty mild seventies child
Every mighty mild seventies child
Beats me
Doo doo doo
Doo doo doo
Doo doo doo
Combat baby, come back baby
Combat baby, come back
Fight, fight, fight, baby
Combat baby, come back
How I miss your ranting
Do you miss my all time lows?
