

# My Sacrifice

## The Drowners

Hello my friend, we meet again  
It's been a while, where should we begin?  
    Feels like forever  
    Within my heart are memories  
    Of perfect love that you gave to me  
    Oh I remember  
    When you are with me, I'm free  
    I'm careless, I believe  
    Above all the others, we'll fly  
    This brings tears to my eyes  
    My sacrifice  
We've seen our share of ups and downs  
    Oh, how quickly life can turn around  
    In an instant  
    It feels so good to reunite  
Within yourself and within your mind  
    Let's find peace there  
?Cause when you are with me, I'm free  
    I'm careless, I believe  
    Above all the others, we'll fly  
    This brings tears to my eyes  
    My sacrifice  
I just want to say hello again  
    I just want to say hello again  
?Cause when you are with me, I'm free  
    I'm careless, I believe  
    Above all the others, we'll fly  
    This brings tears to my eyes  
?Cause when you are with me, I'm free  
    I'm careless, I believe  
    Above all the others, we'll fly  
    This brings tears to my eyes  
    My sacrifice  
    My sacrifice  
(I just want to say hello again)  
    I just want to say hello again  
    My sacrifice
