More Ways Than One

Peter Frampton

I knew I was in trouble when I saw you for the first time
Cause you're a little bit different-you're driving me wild
I'm gonna make you love me even if it takes a lifetime
Let me in and I'll show you the power
You gotta let me in and I'll show you the way
The way it could be can't you seeI believe there are more ways than one
Any door can be opened
I believe there are more ways than one
And time holds the key till you belong to meYou say you want a man that's got a reputation
Yeah a real cool dresser who can take you in style
Well if you want a love that's real not a cheap imitation
Let me in and I'll show you the power
You gotta let me in and I'll show you the way
The way it could be can't you seeNow I can only stand so much
Why can I look but never touch
You know I'm only flesh and bone
Yeah
Yeah
Don't wait too long to come around
I might be nowhere to be found
And you'll be standing all alone
