## Wonderwall

## **One Direction**

Today is gonna be the day that they're gonna throw it back to you
By now you shoulda, somehow, realized what you gotta do
I don't believe that anybody feels the way I do about you nowBack beat, the word is on the street that the fire in your heart is out

I'm sure you've heard it all before but you never really had a doubt
I don't believe that anybody feels the way I do about you nowAnd all the roads we have to walk are winding
And all the lights that lead us there are blinding

There are many things that I would like to say to you
But I don't know howBecause maybe
You're gonna be the one that saves me

And after all

You're my wonderwallToday was gonna be the day but they'll never throw it back to you
By now you should somehow realized what you're not to do
I don't believe that anybody feels the way I do about you now
I said maybe

You're gonna be the one that saves me
And after all
You're my wonderwall
