

# Nobody To Love

Sigma

I know you're tired of loving, of loving  
With nobody to love, nobody, nobody 2x  
So just grab somebody, no leaving this party  
With nobody to love, nobody, nobody I know you're tired of loving, of loving  
With nobody to love, nobody, nobody. 2x  
So just grab somebody, no leaving this party  
With nobody to love, nobody, nobody I know you're tired of loving, of loving 2x  
With nobody to love, nobody, nobody  
So just grab somebody, no leaving this party  
With nobody to love, nobody, nobody I know you're tired of loving, of loving  
With nobody to love, nobody, nobody. 2x  
So just grab somebody, no leaving this party  
With nobody to love, nobody, nobody.
