

# One With The Underdogs

## Terror

Born with nothing  
And that was most of us  
Raided in unemployment lines  
Grew inside domestic crimes Always against the odds  
One with the underdogs Stepped on since day one  
Taught to accept defeat  
Expectations of a failure  
Always told I was nothing Always against the odds  
One with the underdogs We are the underdogs Had to scratch and fight  
Just to stay on my feet  
With a heart made of steel  
I smashed through everything Always against the odds  
One with the underdogs
