

# Froot (Oliver Nelson Remix)

## Marina and The Diamonds

Froot  
La la la la la la  
Juice  
La la la la la la've seen seasons come and go  
From winter sun to summer snow  
This ain't my first time at the rodeo Nature ain't a fruit machine  
She's gotta keep her credits clean  
Good things come to those who wait  
But I ain't in a patient phase It's summer time and I hang on the vine  
They're gonna make me into sweet red wine  
Hanging around like a fruit on a tree  
Waiting to be picked, come on cut me free Come on fill your cup up  
Looking for some good luck  
Good luck, good luck to you  
Hanging like a fruit  
Ready to be juiced  
Juiced, juiced Living la dolce vita  
Life couldn't get much sweeter  
Don't you give me a reason  
That it's not the right season  
Babe, I love you a lot  
I'll give you all I've got  
Yeah, you know that it's true  
I've been saving all my summers for you  
I've been saving all my summers for you  
Like froot, like froot Baby, I am plump and ripe  
I'm pinker than shepherd's delight  
Sweet like honeysuckle late at night Leave it too long I'll go rot  
Like an apple you forgot  
Birds and worms will come for me  
The cycle of life is complete I'm your carnal flower, I'm your bloody rose  
Pick my petals off and make my heart explode  
I'm your deadly nightshade, I'm your cherry tree  
You're my one true love, I'm your destiny Come on fill your cup up  
Looking for some good luck  
Good luck, good luck to you  
Autumn, I'll be gone  
Birds will sing their mourning song, song Living la dolce vita  
Life couldn't get much sweeter

Don't you give me a reason  
That it's not the right season  
Babe, I love you a lot  
I'll give you all I've got  
Yeah, you know that it's true  
I've been saving all my summers for you  
I've been saving all my summers for you  
Like froot, like froot Oh my body is ready  
Yeah it's ready, yeah it's ready for your love  
Oh my branches are heavy  
Yeah they're heavy, yeah they're heavy Living la dolce vita  
Life couldn't get much sweeter  
Don't you give me a reason  
That it's not the right season  
Babe, I love you a lot  
I'll give you all I've got  
Yeah you know that it's true  
I've been saving all my summers for you  
I've been saving all my summers for you  
Like froot (Living la dolce vita)  
Like froot (I'm in love)  
Living la dolce vita  
I'm in love  
I'm in love
