

Hit My Heart (Ivan Deyanov & Maxx Play Remix)

Benny Benassi

Hey, boyAre you gonna hit my heart?
Are you gonna leave me once again?
Baby, don't you hit my heartAre you gonna break my heart?
Are you gonna make me cry again?
Baby, don't you break my heartHey, boy, it's not a game
You are the one to blame
My love is not your toy
You better be careful, boyYou told a million lies to me
One day you say goodbye, baby
I gave you one more chance
So please tell me, babyAre you gonna hit my heart?
Are you gonna leave me once again?
Baby, don't you hit my heartAre you gonna break my heart?
Are you gonna make me cry again?
Baby, don't you break my heart
