

# Child of the Damned

## Hammerfall

You made me see right past myself, well beyond my fears  
Realized, I'm synchronized, far beyond my years I'm so geared unto them, they serve unto their soul  
Now that I'm addicted, my hunger only grows I'm a child of the damned, I follow where I go  
Rigging to the cross, as holy as a whore  
I'm just a child of the damned  
I'm just a child Witches coven, the time has come for those sabbatical years  
Revelation is the message, for all in all to hear Prophets slayed, mankind arrayed into a mass submission  
Evils here, the Lord of Hell, gives you the proposition I'm a child of the damned, I follow where I go  
Rigging to the cross, as holy as a whore  
I'm just a child of the damned  
I'm just a child of the damned Give away your life goals, your meaning and ambition  
It means nothing to you, after all it's superstition Do not be afraid, the world is near the end  
Is it better to rule in Hell, than it is to serve in Heaven? I'm a child of the damned, I follow where I go  
Rigging to the cross, as holy as a whore  
I'm just a child of the damned  
I'm just a child of the  
I'm just a child of the damned  
I'm just a child of the damned
