

Finishing School

Dashboard Confessional

Oh, alright dear, have a nice year
Teach the mean girls how to be feared
And turn the weak ones into servants
You can't be satisfied
You just want what you can't have Oh no, not again, the shudders, the shaking
Oh no, not again, the faint and the faking
Oh no, oh no, love, it's not what you're thinking
I've just had enough of your finishing school Oh, alright love, here's the good stuff
You can have it if you want it
But you want what you can't have Oh no, not again, the shudders, the shaking
Oh no, not again, the faint and the faking
Oh no, oh no, love, it's not what you're thinking
I've just had enough of your finishing school Oh no, not again, the shudders, the shaking
Oh no, not again, the faint and the faking
Oh no, oh no, love, it's not what you're thinking
I've just had enough Oh no, not again, oh no, not again, oh no, not again
I've just had enough of your finishing school
