You Just Don't Care

Santana

I told you, you?d have to leave here
And you listened with a cryin' stare
Now you?ve got the nerve, to tell me baby
Yeah, yeah, no no, you don't care
You just don?t care, baby
Sun turns back at the sight of you
And your evil only clouds the air
You, you just laugh at what you do

Hey, hey, hey, hum, no you don?t care
Hey, you don?t care, baby
Your feelings smashed, now you?re leaving
To find someone who?ll dare
To change all the wrong
Like you done to me
Hey, hey, hey, no no, you don't care
Hey, hey, hey, you don?t care
