

# On The Way Home

Crosby, Stills, Nash & Young

When the dream came  
I held my breath with my eyes closed  
I went insane, like a smoke ring day  
When the wind blows  
Now I won't be back till later on  
If I do come back at all But to know me (you know me)  
And I miss you now In a strange game  
I saw myself as you knew me  
When the change came  
And you had a change to see through me  
Though the other side is just the same  
You can tell my dream is real Because I love you (I love you I do)  
Can you feel it now
