Shirtsleeves

Ed Sheeran

I can taste salt water
And if I blink again
You'll be sinking in
So we'll learn to swim in the oceans you made
I'll hold ya and you'll think of him
And pretty soon you'll be floating awayAnd I'll hold on to the words you spoke of
Anchored down in the throat, love
And I'm captain of this sinking boat now
With just one armband to carry me homeWhen salted tears won't dry
I'll wipe my shirtsleeves
Under your eyes
These hearts will be flooded tonight
I'll wipe my shirtsleeves
Under your eyes
Your eyes, your eyes, your eyes, your eyes, your eyesI still taste salt water
On my lips from your kiss, bitterness
And I'll drown within the oceans you made
And I hate to love you, these cuffs are covered in your make up
I'll never trust you again
You can just be a friendAnd I'll hold on to the words you spoke of
Anchored down in the throat, love
And I'm captain of this sinking boat now
With just one armband to carry me homeWhen salted tears won't dry
I'll wipe my shirtsleeves
Under your eyes
These hearts will be flooded tonight
I'll wipe my shirtsleeves
Under your eyesYour eyes, your lips, your mouth
Your thighs, your back, you drive me wild
Tonight, the fact is I
I'm on my way home
I'm on my way home
I lied, I tried to cry but I'm, I'm drowning in the oceans you madeWhen salted tears won't dry
I'll wipe my shirtsleeves
Under your eyes
These hearts will be flooded tonight
I'll wipe my shirtsleeves
Under your eyes
Your eyes, your eyes, your eyes, your eyes, your eyes
