

# Rio Bravo (Skate Fall)

[CKY](#)

I've seen it done like the way the dogs do  
I'll think it over, we're standing into  
Your phony life but now it's all dry  
Can't take it you will see  
Not more than others....your phony life  
Like I don't hear them,  
But I'll tell you something else  
When we get to the desert it's out What we left in the past....it tears me up Pulled into a truck stop...my luck is  
over  
The plan is failing....i think not What we left in the past...it tears me up It's not what you're used to  
In the middle of nowhere  
But I'm an old man  
And I love to wander distantlly Your phony life and now it's all dry  
If it seemed that I had myself controlled...  
That's a lie
