

One Thing

Steve Carlson

So many places we could go
Take the train down to Mexico
Lay around and watch a show
But you and I both know

That at the end of the day
Or even when the day is new
There's always one thing
I can count on with you
Even if our plans don't turn out
The way we thought they would
You make doing nothing feel so good

We could do a raindance
Sail away to the south of France
Set out to find more reasons for romance
But you and I both know

That at the end of the day
Or even when the day is new
There's always one thing
I can count on with you
Even if our plans don't turn out
The way we thought they would
You make doing nothing feel so good
