

You've Changed

[Etta James](#)

You've changed
The sparkle in your eyes is gone
Your smile is just a careless yawn
You're breaking my heart
You've changed You've changed
Your kisses are so blasé
You're bored with me in every way
I can't understand
You've changed You've forgotten the words, 'I love you'
Each memory that we've shared
You've ignored every star up above you
I can't realize you ever cared Oh, you've changed
You're not the angel I once knew
Oh, no need to tell me that we're through, babe
It is all over now
You've changed Oh baby, you've changed
You're not the angel I once knew
Oh, no need to tell me that we're through, babe
It is all over now
You've changed Oh said, You've changed, yeah
Said, It's, it's all over now
Oh yeah, you've changed
Oh, you've changed
Oh, you've changed, you've changed
