## Jamiroquai

Advisory - the following lyrics contain explicit language:

Hey hey  
Hey hey  
Let the rain come down on me  
Hey hey  
Hey hey I see people and they're craving blood  
And I'm so rarely understood  
Well I don't know what they want from me  
It's gonna take sometime just to let them see I'm going through a black, hey, Capricorn day  
And though it doesn't seem so  
I've got to get this way I'm going through a black, hey, Capricorn day  
Though you want to check me out  
I'm not the man to play, play, play, play Hey hey  
Don't you see I'm not the man to play  
Hey hey  
No way you can play with me today  
Hey hey  
Just let me sing it to my Capricorn day  
Hey hey My heart is a pure sun and the sky is black  
And I can feel cold steel when I turn my back  
It stings like needles with a jagged tongue  
You know how this scream reminds me of when I was so young I never had any of those black, hey, Capricorn  
days  
Though it doesn't seem so  
I've got to get this way I'm going through a black, hey, Capricorn day  
And though you want to check me out  
I'm not the man to, play, play, play, play It's just too black for me  
It's just too black for me  
It's just too black for me I'm stuck on the highway leading straight to hell  
Like any other drifter with a soul to sell  
You know I'm dealing with the devil in everyone I meet  
And their faces tell a story that life is so sweet And I'm going through a black, hey, Capricorn day  
And though it doesn't seem so

I've got to get this way And I'm going through a black, hey, Capricorn day  
And though you want to check me out  
I'm not the man to, not the man to play no, no, no  
(Play, play, play, play) Black, hey, Capricorn day  
And though it doesn't seem so  
I've got to get this way, got to get this way Black, hey, Capricorn day  
And though you want to check me out, you want to check me out  
I'm not the man to play It's just too black for me  
It's just too black for me  
It's just too black for me
