

Winter Song

Leslie Odom, Jr.

This is my winter song to you,
The storm is coming soon,
It rose in from the sea,
My voice, a beacon in the night,
My words will be your light,
To carry you to me. Is love a lie? x2
Is love alive? Is love a lie? x2
Is love... They say that things just cannot grow,
Beneath the winter snow,
Or so I have been told.
They say we're buried far,
Just like a distant star,
I simply cannot hold. Is love a lie? x2
Is love alive? Is love a lie? x2
Is love... This is my winter song,
December never felt so wrong,
'Cuz you're not where you belong,
Inside my arms. I still believe in summer days,
The seasons always change,
And life will find a way
I'll be your harvest of light,
There sending out tonight,
And we can start again. Is love a lie? x2
Is love alive? Is love a lie? x2
Is love... This is my winter song,
December never felt so wrong,
'Cuz you're not where you belong,
Inside my arms.
