Slow Train

Shooter Jennings
Slow Ride on a slow train
Gonna get back home and
Tell em where I came from
Slow Ride on a slow train
Gonna get back home and
Tell em where I came from
Every night when I close my eyes
My head hurts so bad
that it blows my mind
Every night when I close my eyes
My head hurts so bad
That it blows my mind
Got a devil on my shoulder
And that aint nothing new
I keep doin what he says
Cause there aint nothing else to do
Oh if you got the money
I know where to spend it honey
Gotta get myself straight
Before I lose my cool
Slow Ride on a slow train
Gonna get back home and
Tell em where I came from
Slow Ride on a slow train
Gonna get back home and
Tell em where I came from
The only thing in my days of chains
is this woman in my bed
and this age in my brain
The only thing in my days of chains
is this woman in my bed
and this age in my brain
Slow Ride on a slow train
Gonna get back home and
Tell em where I came from
Slow Ride on a slow train
Gonna get back home and
Tell em where I came from
Slow Ride on a slow train
Gonna get back home and
Tell em where I came from
Slow Ride on a slow train
Gonna get back home and
Tell em where I came from
Woo hoo woo hoo
Yeah
Woo hoo woo hoo
Oh yeah
Woo hoo woo hoo
Woo hoo woo hoo
Yeah
Woo hoo woo hoo
Oh yeah

Woo hoo woo hooSlow Ride on a slow train
Gonna get back home and
Tell em where I came fromSlow Ride on a slow train
Gonna get back home and
Tell em where I came from
