Are You Home

BROODS

Baby, you know that I like to be right
But I'm hoping this time, baby, I'm wrong
Baby, you know I'm loving you skin tight
But I'm thinking this time, you want me to runWhen she calls, tell me truth
Tell me truth
Is it more than I knew?
I knewSo are you home tonight?
Are you alone tonight?
I've been drinking and I'm thinking, that I don't wanna fight
Are you home tonight?
Are you alone tonight?
You've been drinking and I'm thinking
Are we sinking?
Yeah, I just wanna fight
I just wanna fightDarling I know it wasn't the first time
I went outta my mind, hoping for more
Darling you know, that this is the last time
You don't get to come round, begging for moreWhen she calls, tell me truth
Tell me truth
Is it more than I knew?
I knewSo are you home tonight?
Are you alone tonight?
I've been drinking and I'm thinking, that I don't wanna fight
Are you home tonight?
Are you alone tonight?
You've been drinking and I'm thinking
Are we sinking?
Yeah, I just wanna fight
I just wanna fight
I just wanna fightIs it more than I knew?
I knewSo are you home tonight?
Are you alone tonight?
I've been drinking and I'm thinking, that I don't wanna fight
Are you home tonight?
Are you alone tonight?
You've been drinking and I'm thinking
Are we sinking?
Yeah, I just wanna fight
Are you home tonight?

Are you alone tonight?
I've been drinking and I'm thinking, that I don't wanna fight
Are you home tonight?
Are you alone tonight?
You've been drinking and I'm thinking
Are we sinking?
Yeah, I just wanna fightI just wanna fight
I just wanna fight
I just wanna fight
