

Shout

Tears for Fears

Shout, shout, let it all out
These are the things I can do without
Come on, I'm talking to you, come on Shout, shout, let it all out
These are the things I can do without
Come on, I'm talking to you, come on In violent times
You shouldn't have to sell your soul
In black and white
They really really ought to know Those one track minds
They took you for a working boy
Kiss them goodbye, you shouldn't have to jump for joy
You shouldn't have to jump for joy Shout, shout, let it all out
These are the things I can do without
Come on, I'm talking to you, come on They gave you life
And in return you gave them Hell
As cold as ice, I hope we live to tell the tale
I hope we live to tell the tale Shout, shout, let it all out
These are the things I can do without
Come on, I'm talking to you, come on Shout, shout, let it all out
These are the things I can do without
Come on, I'm talking to you, come on Shout, shout, let it all out
These are the things I can do without
Come on, I'm talking to you, come on And when you've taken down your guard
If I could change your mind
I'd really love to break your heart
I'd really love to break your heart Shout, shout, let it all out
These are the things I can do without
Come on, I'm talking to you, come on
