

My Mind (Mindless mix)

Ace of Base

Ace of Base is in your mind
Oh! dance Everyone everywhere
Everyone everywhere
Ace of Base is in your mind You're giving me hope
I'm moving back in time
You're giving me hope
I'm moving back in time Everyone everywhere
Dance or fade out! In my mind, in my mind, in my mind
In my mind you live You're giving me hope
I'm moving back in time
(I'm moving, I'm moving)
