Gamblin Man

Lonnie Donegan

Get up now!Ever since I can remember
Our heads, they feel the thunder
Try and understand
I'm a gamblin' man
Just a gamblin' manI play with cards and I shoot the dice
I call the racetrack and I
I play the horses, too
Now I'll play it with youI'm a gamblin' man
A gamblin' man
And I get what I can, when I can
I'm a gamblin' man
Just a gamblin' man
And I win when I can, when I canOoh, now, look over your shoulder
You found a four-leaf clover
Makes you feel like a lucky man
Oh, no, no, you're a gamblin' manLike, like I say, I know 'cause
The, well, they come and the ladies go
And they just don't seem to understand
I'm a gamblin' man, hey, hey, heyI'm a gamblin' man
Just a gamblin' man
And I get what I can, when I can
I'm a gamblin' man
A gamblin' man
And I win when I can, when I canYeah yeah yeah
Yeah yeah yeahYeah, ever since I can remember
Our heads, they feel the thunder
Won't you try and understand?
I'm a gamblin' manOoh now, look over your shoulder
You found a, a four-leaf clover
Don't it make you feel like a lucky man?
Like a gamblin' man, heyI'm a gamblin' man
I'm a gamblin' man
And I get what I can, when I can
I'm a gamblin' man
I'm a gamblin' man
And I win when I can, when I canPlay them cards
Shake them dice
Raise that bet
Gamblin' manPlay them cards

Shake them dice
Raise that bet
Gamblin', gamblin', gamblin' man
