

Roses On the Hilltop

Scott Dawson

Seven years of marriage have flown by like a jet
Through the thick and thin of it
I've not one regret
They say this is the moment when couples start to itch
But as far as I'm concerned we've pulled it off without a hitch
Cause you're still roses on the hilltop
Daisies in the sun tulips in the meadow when springtime has begun
The colors of the rainbow against a sky of blue
For this my love is what I see in you

Don't you ever worry I will never stray
I'm in it for the long haul right here is where I'll stay
The best years lie ahead of us I'm looking forward to
Growing old together and getting closer as we do
