Act Naturally

[Dwight Yoakam](#)

They're gonna put me in the movies
They're gonna make a big star out of me
We'll make a film about a man that's sad and lonely
And all Ive gotta do is act naturallyWell, I bet you I'm a gonna be a big star
Might win an Oscar, you can never tell
The movies are gonna make me a big star
Cause I can play the part so wellI hope you come to see me in the movies
Then I know that you will plainly see
The biggest fool that ever hit the big time
And all Ive gotta do is act naturallyWe'll make a scene about a man that's sad and lonely
And begging down upon his bended knee
I'll play the part but I won't need rehearsing
Cause all Ive have to do is act naturallyWell, I bet you I'm a gonna be a big star
Might win an Oscar, you can never tell
Yeah, the movies are gonna make me a big star
Cause I can play the part so wellWell, I hope you come to see me in the movies
Then I know that you will plainly see
The biggest fool that ever hit the big time
And all Ive gotta do is act naturally
Two, three, four, all I've have to do is act naturally
