

# Junk Food Junkie (live)

## X-Ray Spex

Johnny's got an addiction  
He's strung out without conviction  
He was raised with a microwave  
Sticky trashy fast food slave He's a junk food junky  
He could be a lot more spunky hunky  
But he's a junk food junky  
Blame it on the food yeah, you know it's bad Mother doesn't really know  
Shopping in a glossy show  
Then again her budget's low  
Her health so bad it makes her slow  
She's a junk food junky  
She's stressed and very jumpy  
She's a junk food junky  
Blame it on the food yeah, we know it's bad  
Blame it on the food yeah, we know it's bad  
Jenny's in a fix  
With her arithmetics  
Poor concentration  
Boys in the classroom cause agitation She's a junk food junky  
She could be a lot more fun
