

# Henry Rollins Is No Fun

## Chixdigg

I went to Lolla with my mom  
And my mom met everyone  
And I talked to Henry Rollins  
And he talked to my mom  
And my mom says, "He's no fun"  
Henry Rollins is no fun I said that he's a prick, but a big cranky kid  
And all he talked about was politics  
Buff from lifting cars and he don't like girls no more 'Cause Henry Rollins is no fun  
Henry Rollins is no fun  
Henry Rollins is no fun, just ask my mom  
Henry Rollins is no fun  
Henry Rollins is no fun  
Henry Rollins is no fun, just ask my mom I said that he's a prick, but a big cranky kid  
And all he talked about was politics  
Buff from lifting cars and he don't like girls no more 'Cause Henry Rollins is no fun  
Henry Rollins is no fun  
Henry Rollins is no fun, just ask my mom  
Henry Rollins is no fun  
Henry Rollins is no fun  
Henry Rollins is no fun, just ask my mom Well, I went to Lolla with my mom  
And my mom met everyone
