What Ya Gonna Do

Craig David

Craig david & pete devereux & mark hillDrop the funk, drop the base
Hit it, hit it for me
Hit it, hit it for me
Hit it, hit it for me
Hit it, hit it for meWhat ya gonna do
What ya gonna say
What ya gonna do
What ya gonna say
Did it, what ya gonna do
Did it, what ya gonna say
Did it, what ya gonna do
Did it, what ya gonna say
Did it for me, did it for me
Did it for me, did it for me
(ey, uh yeah) what ya gonna do
(ey, uh yeah) what ya gonna say
(ey, uh yeah) what ya gonna do
(ey, uh yeah) drop the funk drop the base
Lately I've been thinking
The way your treating me
I've been wondering
What it's about, there's no doubt
So when I leave
What ya gonna do
Strong on me to grieve
What ya gonna say
It's my time to go, no need to shout
I'm out(ey, uh yeah) what ya gonna do
(ey, uh yeah) what ya gonna say
(ey, uh yeah) what ya gonna do
(ey, uh yeah) what ya gonna say
(ey, uh yeah) what ya gonna do
(ey, uh yeah) what ya gonna say
(ey, uh yeah) what ya gonna do
(ey, uh yeah) what ya gonna say
Ey what ya gonna do, ohhh
Ey what ya gonna say, ohhh
Ey what ya gonna do, ohhh
Ey what ya gonna say, say

Drop the funk, drop the base
Did it, did it for me
Did it, did it for me
Did it, did it for me
Did it, did it for meLately I've been thinking
The way your treating me
I've been wondering
What it's about, there's no doubt
So when I leave
What ya gonna do
Strong on me to grieve
What ya gonna say
It's my time to go, no need to shout
I'm out(ey, uh yeah) what ya gonna do
(ey, uh yeah) what ya gonna say
(ey, uh yeah) what ya gonna do
(ey, uh yeah) what ya gonna say
(ey, uh yeah) what ya gonna do
(ey, uh yeah) what ya gonna say
(ey, uh yeah) what ya gonna do
(ey, uh yeah) what ya gonna sayDid it, what ya gonna do
Did it, what ya gonna say
Did it, what ya gonna do
Did it, what ya gonna say
Did it for me, what ya gonna do
Did it for me, what ya gonna say
Did it for me, what ya gonna do
Did it for me, what ya gonna sayYou've been treating me so bad
You've been treating me so wrong
You've been treating me so bad
You've been treating me so bad
You've been treating me so wrong
You've been treating me so bad(ey, uh yeah) what ya gonna do
(ey, uh yeah) what ya gonna do, what ya gonna say
