Boy Hits Car

You're so beautiful, you're so beautiful
You're so beautiful, oh so pure like a child
You were always locked up by yourself
Wasn't there when you died Didn't get to bury you, didn't get to bury you
Didn't get to bury all that you one last time
One last time You're so beautiful, you're so beautiful
You're so beautiful, you were beautiful
Your fur's so white, your patches are brown
There's a stillness in my heart, are you happier now? You know I loved you, you know I love you
You know I loved you but I think I love you more
Now that you're gone You were beautiful, you're so beautiful
You're so beautiful, you're so beautiful
You were beautiful When you ran through the field
When you ran through the field
When you ran through the field
With the pretty flowers that smelt good As you ran through the field
As you ran, do you run? You were beautiful, you're so beautiful
You were beautiful, you're so beautiful
You were beautiful, you're so beautiful You were beautiful, you're so beautiful
You were beautiful, you're so beautiful
You're so beautiful, you're beautiful
