# Dreamin' Again

## Jim Croce

Don't you know, I had a dream last night
That you were here with me?
Lyin' by my side, so soft and warm
And we talked a while and shared a smile
And then we shared the dawn
But when I woke up, oh, my dream it was gone
Don't you know, I had a dream last night
And you were here with me?
Lyin' by my side, so soft and warm
And you said, you'd thought it over
You said that you were comin' home
But when I woke up, oh, my dream it was gone
I'm not the same, can you blame me?
Is it hard to understand?
I can't forget, you can't change me
I am not that kind of man
Don't you know, I had a dream last night
And everything was still?
And you were by my side, so soft and warm
And I dreamed that we were lovers
In the lemon-scented rain
But when I woke up, oh, I found that again
I had been dreamin'
Dreamin' again
I had been dreamin'
Dreamin' again
