I Know

[Fats Domino](#)

Know you don't love me no more
No more no no more
And I don't wanna be hurt
Anymore anymore
And yet I loved so hard
Everything I done is a lark
So you can't love me right baby
You don't have to love me at all
You know I know you don't wont me no more
No more no no more
And it must be someone else
Who's loving you more lovin' you more
Ain't no use in me cryin' now
You want be you are wouldn't be down
If you don't want me no more baby
Ain't no use in you hangin' aroundI know you don't wont me no more
No more no no more
And it must be someone else
Who's loving you more lovin' you more
Ain't no use in me cryin' now
If it want's you are wouldn't be down
If you don't want me no more baby
Ain't no use in you hangin' around
I know I know I know
I know I know baby yes I know
I knnooooww
