

I Can't Teach My Old Heart New Tricks

Barry Manilow

Can't teach my old heart new tricks
Can't make it love someone new
Can't teach my old heart new tricks
Keeps on beating just for you I tell my old eyes it's spring
They tell me it's cold and gray
Can't teach my old eyes a thing
Keep on cryin' night and day Oh, why can't I forget you
As you've forgotten me
But something inside keeps holding on
Not knowing that you're gone, oh Can't teach my old heart new tricks
Can't make it love someone new
Can't teach my old heart new tricks
Keeps on beating just for you, oh Oh, why can't I forget you
As you've forgotten me
But something inside keeps holding on
Not knowing that you're gone, oh Can't teach my old heart new tricks
Can't make it love someone new
Can't teach my old heart new tricks
Keeps on beating just for you Can't teach my old heart new tricks, ooh
Can't make it love someone new
Can't make it love someone new
My heart it keeps on beating just for you Can't teach my old heart new tricks, oh
Can't make it love someone new
Can't make it love someone new
My heart it keeps on beating just for you Can't teach my old heart new tricks, oh
Can't make it love someone new
Can't make it love someone new
My heart Can't teach my old heart new tricks
Can't make it love someone new
