Roll Me Over

Primo Scala

In the secret
In the quiet place
In the stillness you are there
In the secret
In the quiet hour I wait only for you
'Cause I want to know you more
I want to know you
I want to hear your voice
I want to know you more
I want to touch you
I want to see your face
I want to know you more
I am reaching for the highest goal
That I might receive the prize
Pressing onward
Pushing every hindrance aside
Out of my way
'Cause I want to know you more
I want to know you
I want to hear your voice
I want to know you more
I want to touch you
I want to see your face
I want to know you more
I want to know you
I want to hear your voice
I want to know you more
I want to touch you
I want to see your face
I want to know you more
I want to know you
I want to hear your voice
I want to know you more
I want to touch you
I want to see your face
I want to know you more
