Rooftop

Sasha

Music: Michael B. & di Lorenzo
Lyrics: Michael B., di Lorenzo & Pete SmithVerse 1
It doesn't matter what they say
You do your own thing anyway
even though you contradict yourself
if you need some help it's okayA little envy brings you doubt
just eat it up and spit it out
no need to make a compromise
if you realize that you're strong enough, ohBridge
There's nothing better
than a heartbeat over mindChorus
Shout it from the rooftop
here I go
beating on the back door
of your soul
walking on a tightrope
don't you know
takes you higher, takes you higherDancing on the sidewalk
letting go
jumping on a fast train
nice and slow
surfing on a backbeat
no control
takes you higher, takes you higherVerse 2
It doesn't matter what you do
it's only someones point of view
there doesn't have to be an alibi
when you wanna cry
