

Rooftop

Sasha

Music: Michael B. & di Lorenzo

Lyrics: Michael B., di Lorenzo & Pete Smith Verse 1

It doesn't matter what they say
You do your own thing anyway
even though you contradict yourself
if you need some help it's okay A little envy brings you doubt
just eat it up and spit it out
no need to make a compromise
if you realize that you're strong enough, oh Bridge
There's nothing better
than a heartbeat over mind Chorus
Shout it from the rooftop
here I go
beating on the back door
of your soul
walking on a tightrope
don't you know
takes you higher, takes you higher Dancing on the sidewalk
letting go
jumping on a fast train
nice and slow
surfing on a backbeat
no control

takes you higher, takes you higher Verse 2

It doesn't matter what you do
it's only someones point of view
there doesn't have to be an alibi
when you wanna cry
