

# Out In the Woods (Remastered 95)

Leon Russell

Well I'm goin' down, Goin down a hard road  
Just don't know, Don't know where I've been  
A But I think I've been walkin', I'm walkin' round in circles  
Can't even find a friend  
Woah... my love, My love she is not waiting  
Think I might've been gone, I've been gone too long  
Look at the people, People make me crazy  
I can hardly sing my song  
Hustlers stand around me, I'm lost and all alone  
Can't tell the bad from the good  
I'm lost in the woods, I'm lost in the woods  
Big city gamblers, Gamblers take my money  
Yes it gets to be useless, Yes it's useless to me  
And I think I'm lost, When I'm lost inside this Jungle  
Can't see the forest for the trees  
Well pretty little, Woman come and get me  
Try me, Try me one more time  
Yes and your sweet, Your sweet understanding  
Can't fix this broken heart of mine  
The vultures fly around me, Come and take me home  
Can't tell the bad from the good  
I'm out in the woods, I'm lost in the woods....I'm a man gone crazy in the woods. I'm wondering around in the bush.
