

I Will Find You

Clannad

Hope is your survival
A captive path I lead No matter where you go, I will find you
If it takes a long long time
No matter where you go, I will find you
If it takes a thousand years Nachgochema
Anetaha
Anachemowagan No matter where you go, I will find you
In the place with no frontiers
No matter where you go, I will find you
If it takes a thousand years Hale w yu ga I sv
Do na dio sv I
Wi ja lo sv
Ha le w yu
Do na dlo sv No matter where you go, I will find you
If it takes a long long time
No matter where you go, I will find you
If it takes a thousand years No matter where you go, I will find you
In the place with no frontiers
No matter where you go, I will find you
If it takes a thousand years No matter where you go, I will find you
No matter where you go
No matter where you go, I will find you
